Commentary - G. W. F. Hegel

But to give Hegel his due, we cannot ignore that material contradictions are fought out in the realm of consciousness, or in the realms of political and cultural superstructure. 5 Hegel's commentary is idealistic insofar as the superstructural elements take priority.

Hegel, Enlightenment, and Revolution | Left Voice

Hegel's logic. The third section establishes the parameters constraining the interpretation of Hegel's logic. Because of the obscurity of the texts, it is valuable to state explicitly the conditions that constrain an adequate interpretation. Succeeding sections address these conditions by showing what it means that Hegel's logic is a self ...
