Chains Of Sand

Chains of Sand is a work of contemporary and literary fiction that brings the reader to the heart of the fight between Israel and Palestine Hamas. However, Wayne doesnt focus solely on the war between rival cultures, religions etc but on the ways in which this fight affects the lives of Israelis living in Israel, and those living elsewhere.

Chains of Sand by Jemma Wayne - Goodreads

Chains of Sand is essentially a love story. In fact three love stories. It is also a novel about war, about intolerance, about Israel and London, religion and secularism, generational and cultural divides. But more than anything it is about people. The hopes and fears and grief and longing and quirks of people. These characters feel real to the core.

Chains of Sand - Kindle edition by Wayne, Jemma ...

CHAINS OF SAND is a novel about identity, family, and clashes of culture. It explores racism in Israel, anti-Semitism in Britain, and the struggle of families dealing with the prospect of letting their beloved children sacrifice everything they know for everything they want.

Chains of Sand - Watson Little

A work of contemporary fiction, Chains of Sand by Jemma Wayne is a timely and important portrayal of a realm of Middle Eastern conflict made familiar to most of us in the West through the distorted lens of news and current affairs coverage, a lens too often smeared with the Vaseline of prejudice, its purported wide angle little more than a pinhole.

Chains of Sand, by Jemma Wayne, tells the loosely connected stories of families whose lives are affected by the ongoing conflict between Israel and Palestine. I know little about this highly contentious region, despite having worked on a kibbutz near Gaza many years ago. I had hoped that this book might offer some enlightenment.

Tire chains will do very little but dig holes faster and get you that much more stuck. A wide footprint in the sand front and rear is what you need to keep from getting stuck. Since you are talking about a VAN I would say air down to around 10 psi front and rear and go for it. If the sand is firm and flat you'll get around with little problem.
