Rebuild and Overhaul Kits - Road Ranger

POWERTRAIN AND PERFORMANCE. AS mentioned, the Pik-Up's powertrain remains the same as the last model, and that's not a bad thing. The Mahindra 'mHawk' is very flexible in the way it responds as you go though the gears, with peak torque coming on from 1600rpm. The Dana-Spicer sourced six-speed gearbox which replaced the old five-slotter two years ago, is smooth-shifting and simple to use.
