### Amazon.com: Customer reviews: Exploring New Religions ...

While other scholars insist on either theological or sociological features, and suggest to identify as "new religious movements" the groups with a non-mainline theology or perceived as deviant by society, Chryssides favors a simple chronological test, although one combined with the fact that the movement is clearly outside the great world religions. For him, "new religious movement" is an organization founded "within the past 150 or so years," which cannot be easily classified ...
