### Free Your Mind An African

Free Your Mind presents meditation as a path that African Americans can use to develop a mind that is free of limiting thoughts. As you journey, you will bring forth more of your "inherent goodness, genius, and potential." Eventually, you'll reach the "Promised Land."

### Free Your Mind: An African American Guide to Meditation ...

Although more and more Americans are practicing meditation, it is still relatively rare among African Americans. In Free Your Mind, Cortez Rainey does something about this by speaking directly to African Americans about meditation. Free Your Mind introduces meditation by using stories about the heroic men and women who journeyed from slavery to freedom on the Underground Railroad.
