...

There's a Mark Levine book called The Jazz Theory Book. I would suggest getting it and doing two pages a day just to study it and learn to read some basic piano, even if you can only pick out one note at a time. As you work through it you'll notice the way you hear and the way you sing will automatically start to change.

After a few years I've pretty much made it through to the end of the Jazz Piano Book my Mark Levine. This is a really great book and I have learned a lot. I started with zero jazz knowledge and the book basically taught me enough knowledge to be able to meaningfully participate in a jazz jam sessions.
