The rewritten judgments shed light on the conceptual and practical challenges of securing children's rights within judicial decision-making and explore how developments in theory and practice can inform and (re-)invigorate the legal protection of children's rights.

Rewriting children's rights judgments : from academic ...

Its principal aim was to revisit existing legal judgments relating to children and consider how they might have been drafted if adjudicated from a children's rights perspective. An innovative and highly effective legal methodology — that of judgment rewriting — is thus extended in this book to the topic of children's rights.

Rewriting Childrens Rights Judgments

Collectively, the judgments point to five key factors that support a children's rights-based approach to judgment writing. These include: using children's rights law and principles; drawing on academic insights and evidence; endorsing child friendly procedures; adopting a children's rights focused narrative; and using child-friendly language.
