Rons Big Mission

In this story based on an incident from the life of astronaut Ron McNair, nine-year-old Ron walks into his local public library with a mission—to secure a library card for himself so that he can take books home to read. Because it's 1959 and segregation laws prohibit African Americans from borrowing books, Ron is at first declined.

Rose Blue and Corinne J. Naden's Ron's Big Mission, a fictionalised account of a real incident in space shuttle astronaut Ron McNair's childhood (Ron McNair was one of the seven astronauts who lost their lives in the 1986 Challenger explosion), shows how a simple and more importantly how a non-violent act of civil protest and courage against racially discriminatory regulations (and by a nine year old child at that) can challenge racist attitudes, can change unjust and discriminatory rules and re
