We've received a lot of interest in our new KPI Certification Program. In fact, one woman said she couldn't wait until the first scheduled program offering. She also wanted to know if we had a handy list of the most important principles - she wanted a cheat sheet! So in the interest in tiding her (and others) over, below I have compiled a few of the most important KPI tips and tricks ...

If you are not familiar with the concept, fantasy football is a game in which team "owners" draft pro players to assemble their ultimate fantasy team. Then as actual pro football games are played each week, the resultant statistics from the games are used to calculate how the owner's fantasy team would have performed.
