Invention of the Mirror - ThoughtCo

The History of Mirror: Through A Glass, Darkly. The mirror has been in existence almost as long as humankind. By legend, the first mirror was formed in the ancient Himalayas when a little brook tarried to rest itself, as if to ponder and reflect upon its course. Thereby, in time, the first woman walked and looking down into the pool was surprised by—another girl!—which she slowly came to understand as a reflection of herself.
