I have no problem recommending Virginia H. Ellison's "The Pooh Cook Book" (1969). It offers child-friendly recipes (requiring adult supervision) with Pooh-related names or having something to do with honey. Each page has one of the original illustrations or a food-related quotation from the Pooh stories.

Altogether 'The Pooh Cook Book' has aged really well. It doesn't have pictures of the food, but is full of quotes from the Pooh books and E. H. Shepard's illustrations so it still looks great. The honey based recipes for cakes, biscuits, and tarts, of which there are plenty, appeal to my adult taste buds, and it still feels like it would be a great way to get kids cooking.
