Fortunately, there is a better way. Companies can more closely connect their talent and their opportunities to create value by using quantifiable measures to investigate their organizations' nooks and crannies to find the most critical roles, whether they lie in design, manufacturing, HR, procurement, or any other discipline. They can define those jobs with clarity to ensure that top ...

Linking talent to value | McKinsey

Effective talent management requires that your business goals and strategies drive the quality and quantity of the talent you need. Research put forth by the Aberdeen Group showed that best-in-class organizations are 34 percent more likely to connect
