Confederates capture a Union battery during the First Battle of Bull Run There is widespread disagreement among historians about the turning point of the American Civil War. A turning point in this context is an event that occurred during the conflict after which most modern scholars would agree that the eventual outcome was inevitable.

Turning point of the American Civil War - Wikipedia

A turning point is a moment in a story when a major narrative shift takes place and the rest of the story will be different. Turning points can come at any point during a story's structure, but they often come either with the first plot point—when the main character decides to take part in the storyline's main conflict (after the inciting incident)—or at the climax of the story—when ...
