The Pluralist views of the State. Pluralists see the state as democratic and something that helps distribute power equally. Pluralists say that the fact that there are so many political parties and pressure groups within the state shows plurality and democracy.

### 10) Views of the State | Revise Sociology

View State is the method to preserve the Value of the Page and Controls between round trips. It is a Page-Level State Management technique. View State is turned on by default and normally serializes the data in every control on the page regardless of whether it is actually used during a post-back.

### What Is View State And How It Works In ASP.NET

View state is the page-level state management technique used in the ASP.NET page framework to retain the value of controls and page between round trips. Data objects such as hash tables, strings, array objects, array list objects, Boolean values and custom-type converters can be stored in view state.

### What is View State? - Definition from Techopedia

A server control's view state is the accumulation of all its property values. In order to preserve these values across HTTP requests, ASP.NET server controls use this property, which is an instance of the StateBag class, to store the property values. The values are then passed as a variable to an HTML hidden input element when subsequent ...

### The Official Web Site for The State of New Jersey

When I looked up "is of the view that" on Google books, I found well over 5 million hits. When I changed that to "is of a view that" on Google books , I found five . Even though the latter phrasing doesn't sound awkward to me, I don't usually buck convention when the results are that tilted in favor of one instance of an expression over another.

### meaning - "Is of the view that" vs. "is of a view that ...

Karl Marx's ideas about the state can be divided into three subject areas: pre-capitalist states, states in the capitalist (i.e. present) era and the state (or absence of one) in post-capitalist society. Overlaying this is the fact that his own ideas about the state changed as he grew older, differing in his early pre-communist phase, the young Marx phase which predates the unsuccessful 1848 ...
