DailyCheapReads.com has daily posts on the latest Kindle book deals available for download at Amazon, and will sometimes post free books.

### Volvo Engine Derate

The number one cause of a 5 MPH derate in a Volvo truck is the SCR/DEF system not operating properly. The SCR/DEF system was implemented in Volvo Trucks 2011+ to curb exhaust emissions on Class 8 trucks. If you have a Paccar engine and are stuck in 5 MPH derate check out this blog post. What is a derate?

### What to do if your Volvo D13 is stuck in 5 MPH Derate (3

...

On the SCR derate this means that the engine is not capable of meeting the emission standards or there is a component that is faulty causing it. The dash will show how much time you have remaining until the unit will go down to a 5mph derate so you will have enough time to get into a shop.
