Review: How Corporate America Won Its Civil Rights

In his new book, “We the Corporations: How American Businesses Won Their Civil Rights,” Adam Winkler puts corporate power center stage.

Book review of We the Corporations: How American ...

Corporations are all but compelled to seek constitutional rights by American corporate law—the body of legal rules that dictate how corporations are formed and managed. Corporations are required by long-standing corporate law principles to maximize profit for shareholders, at least in the long term.

WE THE CORPORATIONS How American Businesses Won Their ...

Here's the bottom-line: When corporations get special handouts from the government, it costs the rest of us. We have to pay more in taxes to make up for these hidden tax breaks, subsidies, and loopholes. In turn, there's less money for good schools and roads, Medicare and national defense, and everything else we need.

We will lose more unless we turn away from a democracy that is the direct road to disaster — and restore our Constitutional Republic. In an upcoming article, we'll take a closer look at the purportedly ratified 14th Amendment and how we became "property" of the corporation and enslaved by our silence.

The United States Isn't a Country — It's a Corporation!

A corporation is a legal entity that is separate and distinct from its owners. Corporations enjoy most of the rights and responsibilities that individuals possess.
